

**How is this possible?**

**A man and his son were planning to go camping and hiking over the August long weekend.**

**As they drove around a blind corner, they were shocked because unexpectedly a moose was standing on the road!**

**They slammed into the moose and crashed into the ditch, it was a terrible accident.**

**Sadly, the father was killed instantly, and the son was terribly injured.**

**A short distance outside of Prince Albert the highway became very windy and narrow and hard to drive.**

**The paramedics raced the son to the Prince Albert City Hospital for an emergency operation to save his life.**

**It was a great day: the sun was shining, and the forests were beautiful beside the highway.**

**At the hospital, a doctor came into the operating room, stopped and said, "I can't operate on this boy, he is my son!!".**

**They packed and soon were driving down the highway to Lac La Ronge Provincial Park.**

**The father madly tried to turn the car away from the moose, but it stepped in front of the car!**
